Many of the juvenile literature books in the Curriculum Materials Center (CMC) have been assigned letters (i.e. E, P, I, JH, HS) to indicate approximate grade, reading, or interest levels for which the books are suited. These letters appear on the bottom of the call number labels on the spines of the books and in the online catalog records for books.

**Juvenile Literature Levels**

- E………………Easy (Picture Books, Easy Readers, K-3)
- P………………Primary (Gr.K-3)
- P-I…………….Primary to Intermediate (Gr. K-6)
- I………………Intermediate (Gr. 4-6)
