

CURRICULUM MATERIALS CENTER

a library collection of P-12 instructional materials

About

The Curriculum Materials Center (CMC) is a collection of library resources and services that mainly support the pre-kindergarten through grade twelve instructional needs of students and faculty in the College's School of Education. Our growing collection contains curriculum materials in a variety of formats covering all major subject areas: reading, social studies, art, music, health, language arts, mathematics, science and technology, etc. Specialized areas such as bilingual education and special education are covered as well.
