The Student Forum gives students an opportunity to ask questions, voice their concerns and complaints to the SGA members as well as various campus departments. We want to ensure that as a community we are coming together to make students feel a sense of belonging and improve the overall student satisfaction on our campus. We can only do this if we all work together.

Come and voice your concerns!

Any suggestions for staff on making your time here better?

How can your SGA help you?

Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek. -Barack Obama
